was inst Penelope: reabut it was inspir: something is real difficult. Like

on a persons soul. That's why I think a lot of great artists kill themselves. Teresa: Would you describe yourself as an idealist? as an localist.

Penelope: I would describe myself as an asshole! No I'm not an idealist, I'm a hardcore realist. As a matter of fact the world to me looks pretty grim. I think that's why the film wasn't acceped so well in NY. Cause back there it so grim. Thank that't want to be remi

in the street v

e and they're just a seething pile i anger is fucking frightening. To nost people my age and to me some-mes. I mean I went out and made a vive on it and I'll always kinda let it to there, but it's real intimidating the older generation. They are scanhitless of it. And I've had to go up at them and say - look you guys, going on. First they hate for me by building it and second they hate to try to perpetuate it, most of hink when people destroy thing is anything wrong with anything wrong with

don't necessarily have to destroy things...
else would you do it?
dost people are angry
get what they want and
